DETAILED ACTION

1. This action is in response to applicant's amendment filed on May 4, 2006. **Claims 1-7,9-12,15-17,19-22,24,27 and 28** are now pending in the present application.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth on pages 7-9 of the Applicant's response filed on May 4, 2006.

*Regarding claims 1,12 and 24, as noted therein, the claimed invention requires *inter alia* providing enhanced features at a mobile communication device, including a first feature having a first set of sub-features, including searching the mobile device for a requested sub-feature and searching an enhanced local service s server for the sub-feature if the sub-feature is not resident on the mobile communication device and wherein the first feature defines a calendar service and wherein the sub-features defines a portion of a user defined calendar whereas the closest prior art Brouns and Mölne only teach of searching an enhanced services sever for a requested feature, and do not teach or suggest providing enhanced features at a mobile communication device, including a first feature having a first set of sub-features, including searching the mobile device for a requested sub-feature and searching an enhanced local service s server for the sub-feature if the sub-feature is not resident on the mobile communication device and wherein the first feature defines a calendar service and wherein the sub-features defines a portion of a user defined calendar.*
